## CODING CLUB

**ADVISORS:** Mr. Mattheson

Come join us learn the basics of writing code with Python on the Raspberry Pi, a multi-purpose single-board computer! We'll go through wiring up components, logging in to remote systems, navigating using the Linux command-line, and the core concepts of programming in any language. Have a specific interest? We can help you start writing web pages, storing information in databases, or wiring up circuits with breadboards. We have equipment to tinker with, a 15-year veteran of the software industry, and the opportunity to work with other STEM groups at KMS.

## COMMUNITY SERVICE CLUB

**ADVISORS:** Mr. Grifka  
[jeffrey.grifka@bwrdsd.org](mailto:jeffrey.grifka@bwrdsd.org)

The KMS Community Service Club does a number of things for both of our local communities and beyond. We support the local food pantry and regional soup kitchen along with the local Veterans Home. We do collections and fundraisers that incorporate students, teachers and parents. We are always open for new members.
