Dear Parents,

Here are the links to the Grades K to 5 Summer Reading Brochures 2020. These are recommended books based on popular book series, well-known authors, and national award winners. You may select additional text based on your child's interests.

Each grade level folder includes a reading log and suggested activities for students to stay engaged in reading and writing throughout the summer months. Please do not hesitate to reach out to me with any questions at mary.almeida@bwrspd.org
