

2019 Summer Math Practice for students Entering Grades 1-6 Avoid the Summer Slide

Students entering grades 1-6, can sign into one or all of the recommended online learning paths with **iReady** and/or **Prodigy**. Parents are encouraged to monitor and support students with the online lessons. The recommendation is 45 minutes per week. The iReady program will be available until August 14th.

★ i-Ready-Sign in using student current login directions from school

★ Prodigy- Create an account or Sign in and add your class code below <https://play.prodigygame.com/>

Staying Fresh with Fluency Skills are also always important! Here are the expectations by grade level:

- Entering Grade 2: Add & Subtract within 10
- Entering Grade 3: Add & Subtract within 20
- Entering Grade 4 & 5: Multiply & Divide within 120

As you know, learning doesn't stop in the summer. Thank you for being our partners in the education of your child. It all adds up!
