Dear Bristol Warren Parents,

As you might have already heard, last evening at the School Committee meeting I was appointed as the Interim Superintendent. I am so pleased to be back in the district where I was Superintendent a few years ago.

I know that there are concerns surrounding COVID and quarantine guidelines. We are working daily with the RI Department of Health to clarify the guidelines and will communicate with you as we know, you will know.

I will continue to support and maintain the great things happening in our classrooms and in our community working alongside our teachers and principals.

Please feel free to reach out to me for any reason. I look forward to meeting you as I spend more time in the district.

Sincerely,

Dr. Ed Mara

Interim Superintendent of Schools
