September 3, 2020

Dear BWRSD Staff, Families and Community Members,

Today, September 3, 2020, BWRSD was contacted by the Rhode Island Department of Health informing us that a staff member at Colt Andrews has a confirmed case of COVID-19. The health department is requiring that the impacted individual and a number of Colt Andrews staff members *quarantine for 14 days*. This case did not originate at Colt Andrews.

I have spoken with the faculty at Colt Andrews and assured them of our district's commitment to the health and safety of staff and students.

Jonathan T. Brice, Ed.D.
Superintendent of Schools
Bristol Warren Regional School District
