Postponement of MHHS Crossing the Stage Video Recording

On Monday, May 25 (Memorial Day), Mt. Hope High School Administration was contacted by a parent who shared that a senior student tested positive for Covid-19. The student was asymptomatic. It was also shared that the senior had been in contact with other students. We have contacted the RI Department of Health to determine our next course of action. In consultation with the School Committee Attorney, we have reached a decision to postpone today’s Crossing the Stage video recording until we have more information about the potential exposure to a number of students. As more information becomes available, we will keep you updated.
