## VISITORS TO THE SCHOOLS

No person may trespass or loiter in any school building or on any school grounds.

All visitors will, upon entering a school building, report immediately to the principal's office for permission to visit.

No person may remain in any school building or on any school grounds after being requested to leave the premises by a principal, counselor, teacher, or custodian.

These provisions will be posted conspicuously by each school principal at the entrances of each school building.
