

Summer Reading and Learning Kickemuit Middle School

Kickemuit Middle School's mission is to educate all students to become skillful learners and responsible, productive citizens. Summer reading offers an opportunity to continue the practice of essential skills and develop a life-long love of reading.

Expectations

Students entering grades 6, 7, and 8 are encouraged to read as many books as they can during the summer months (we suggest at least two). Students may select any grade appropriate book and genre. Students are reminded to consider both fiction and nonfiction titles and to discuss the books they've read with their friends and families.

A [response form](#) must be filled out for each book completed.

Response forms can be accessed on the [Kickemuit Middle School Library homepage](#), scanning the QR code, or visiting this link:
<https://bit.ly/KMSreads23>

Students: For each book and form completed, your name will be entered into a raffle. A lucky winner from each homeroom will get a prize!

[Click here for book suggestions from the KMS librarian, Mrs. Galipeau.](#)

[Rogers Free Library in Bristol](#) and [George Hail Library in Warren](#) have an extensive collection of middle grade and young adult books for students. We highly encourage you to take advantage of your town's library and additional summer opportunities.

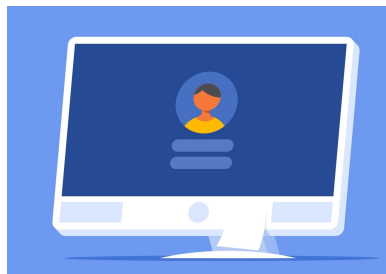

KMS has a suggested book list on our library website but any grade or level appropriate title can be selected. ***Parents and guardians - please review books carefully before deciding which selections are most appropriate for your child. We encourage families to discuss books before, during and after reading.***

Please contact the KMS main office at 401-245-2010 with any questions.

I-READY MYPATH IS AVAILABLE THIS SUMMER!

**Continue learning throughout the summer-
i-Ready is available until August!**

Use of the i-Ready digital learning platform is highly encouraged to prevent skills regression.

i-Ready online reading provides **engaging instruction** and **practice** that is just right for each student and proven to build skills for grade-level success.

Students are encouraged to work on their i-Ready My Path lessons for 30–40 minutes per week.

i-Ready is accessed through Clever on student chrome books.
