

SCHOOL ADMISSIONS

All students entering the Bristol Warren Regional School District for the first time in kindergarten or grade one must submit a certificate of birth. All new students must submit verification or immunizations against those contagious diseases for which the state requires such protection.

All students transferring into the public school from any other town, city, state or from out of the country must present a birth certificate upon registering. A photostat of the birth certificate should be made and placed in the student's personal file with the original being returned to the parent.

Pre-School Registration

1. Registrations must be recorded in the office of the superintendent at a school designated by the superintendent.
2. Registrations may be made by mail, telephone, or in person.
3. Registrations will include the student's name, address, date of birth, parent's name, and telephone number, if possible.
4. All registrations will be dated as of the date of registration.
