

STUDENT ABSENCES AND EXCUSES

All students enrolled in the public schools are expected to attend school regularly. Failure to do so without cause may result in referral to Truancy or family court.

Attendance records will be kept in every class and will be recorded on the report cards. The names of all students less than 18 years of age whose absences are habitual and unauthorized will be referred to the attendance officer.

Mt. Hope High School AND Kickemuit Middle School

Students who are absent for any reason must have a parent or guardian call prior to or on the day of absence. Tardiness is a discipline problem and will be handled by the teacher or referred to the high school Administration if it is a repeated problem.

Interim attendance reports may be given to students anytime during the marking period.
