

CURRICULUM ADOPTION

The curriculum used in the public schools must be that adopted by the School Committee.

Program of Studies – High School

Annually, the Superintendent and the high school administration will present to the School Committee's subcommittee on curriculum their recommendations for the program of studies to be offered at Mt. Hope High School. The School Committee will adopt a program of studies as the high school curriculum for the ensuing year.

K-8 Curriculum

The curriculum for grades kindergarten through eight will undergo continuing review. Any major changes proposed will be presented by the superintendent to the School Committee for enactment.
