STAFF HEALTH AND SAFETY

Prior to employment and periodically thereafter, all employees of the School Committee will be required to submit evidence of physical examination. Included will be tests of hearing, vision, heart, lungs, blood pressure and freedom from communicable disease.

Contractors for school bus service will be required to submit evidence that each bus driver employed is examined prior to employment and annually for the same purposes.

Examinations may be conducted by the school physician at no cost to the employee, or they may be done by a physician of the employee's choice as long as the physician is acceptable to the Committee. Written results of the examination must be submitted.

Adopted: January 24, 1994

CONTRACT REF.: AFSCME agreement, Art.
