

## STAFF GIFTS AND SOLICITATIONS

1. Solicitations for contributions from students and/or teachers within the public schools will not be permitted unless prior approval has been granted by the superintendent or School Committee.

Every precaution will be taken to ensure the voluntary nature of any authorized solicitation. No distinction between contributors and noncontributors will be made. This will not prohibit dissemination of authorized promotional literature, but will prohibit use of buttons, tags, or other display devices intended to publicly designate contributors.

Any authorized solicitation will be scheduled and conducted in such a manner as to reduce to a minimum interruption of the regular school curriculum.
