FISCAL ACCOUNTING AND REPORTING

The Director of Administration, under the direction of the Superintendent, will be responsible for the school department's accounting procedures. The accounting system used will be in conformance with state standards.

The Budget Subcommittee will maintain oversight of the financial accounting and reporting for the school department. Accounts will be open during all normal office hours for the inspection of any member of the School Committee.

ADOPTED: 4/6/92

Bristol Warren Regional School District, Bristol, Rhode Island
